

Blended Structure and Style

A series of lessons from Dr. Webster's work. Lessons begin with note taking, writing paragraphs, using dress-ups, and developing sentence openers. Lessons continue on to narrative writing, report writing, and critiquing. Students at gr. 3 and 4 can begin this series of lessons while students in high school will benefit from review. This resource is available through Moodle in the Grade 5 and Grade 6 Language Arts Modules, or it can be added directly to your child's Moodle Dashboard upon request.

Edhelper

K-8 printable worksheets and puzzles for many subjects; math, geography, algebra, reading, phonics, and spelling. You can also custom make your own worksheets for a huge variety of topics. Word puzzles can be generated with the words you wish to use. Answer keys provided when you request a worksheet.
