

Planning 12

Course Outline

This course is only available to adult students who are enrolled in the BC Adult Graduation Diploma program.

This online course has 2 major components:

Pathfinding

In pathfinding, you'll look at:

- your history
- your strengths
- your options

You will then form a plan for your adult education.

Optional Modules

You then choose from a set of optional modules – for example, financial management, or stress and wellness to learn about areas you think are important.
