## READING/ LITERACY

<p><b>READING EGGS</b></p> <p><b>(K-3: Reading)</b></p>	<p><a href="http://www.readingeggs.com">www.readingeggs.com</a></p>
<p>An elementary reading program for students in grades K-3 that uses carefully designed online reading games and activities to support early learning. Activities are easy to follow, self-paced and engaging for students. Parents can download activity sheets that correspond with lessons in the program and they can also access progress reports for their child. The program includes over 2000 online books for kids.</p> <p>Reading Eggspress: Makes reading real books, improving spelling skills and building reading comprehension highly engaging for kids aged 7 to 13.</p> <p>Please contact your online teacher about access.</p>	
<p><b>RAZ KIDS</b></p> <p><b>(K-7 Reading)</b></p>	<p><a href="http://www.raz-kids.com">www.raz-kids.com</a></p>
<p>Award winning <b>Raz Kids</b> delivers hundreds of interactive, leveled eBooks at 29 different reading levels suitable for students K - Gr. 7. Students can read on-the-go from their favorite mobile device. New books are added monthly. Choose from a wide variety of topics and genres including graphic novels, poetry, high interest non-fiction books, classic literature, leveled readers, decodable and predictable texts. Second language books are also available. Raz A-Z allows students to listen to stories and then record their own readings of the text for progress assessment. Comprehension quizzes are included for each story. Students earn stars to buy parts and accessories to customize their very own Avatar.</p> <p>Using the Raz Kids login info will also give you access to <b>Writing A-Z</b> and <b>Science A-Z</b>.</p> <p>Please contact your online teacher about access.</p>	

<b>SCIENCE A – Z</b>  <b>(K-7 Science &amp; Reading)</b>	<a href="http://www.learninga-z.com">www.learninga-z.com</a>
<p>Science A-Z is an online grade leveled elementary science curriculum offered in a customizable collection of downloadable lessons and materials in four scientific domains: life, earth, physical, and process science. Site is able to correlate to BC curriculum standards.</p> <p>Please contact your online teacher about access.</p>	
<b>WRITING A – Z</b>  <b>(K-7 Writing)</b>	<a href="http://www.learninga-z.com">www.learninga-z.com</a>
<p>Writing A-Z delivers downloadable resources for writing instruction, as well as a collection of interactive online writing tools that students can use anywhere, anytime.</p> <p>Please contact your online teacher about access.</p>

Monthly issue/password provided by your online teacher.

### **CANADIAN READER**

**e-news**

**(Gr 3-5 Current Events)**

Canadian Reader is a current events resource for students in grades 3 – 5. This publication combines current Canadian events and issues with geography to expand students' knowledge of Canada while enhancing their ability to read and understand informational text. 8 issues delivered electronically between September and June.

Monthly issue/password provided by your online teacher.

### **ENCHANTED LEARNING**

[/www.enchantedlearning.com/Home.html](http://www.enchantedlearning.com/Home.html)

**(Gr K-12 Cross Curricular)**

Enchanted Learning is an online collection of resources in various subject areas for students in grades K-6.

Please contact your online teacher about access.

## **APPLIED SKILLS**

### **TYPING TOURNAMENT**

<http://www.edalive.com/>

**(Gr K-9 Typing)**

Typing tournament is an online typing program for students in grades K-9, teaching 10-finger typing skills. Students progress from their existing skill level and work towards using the entire keyboard and using the right fingers on the right keys. Typing tournament uses games, lessons and drills with a motivation medieval tournament theme to make learning fun!

Please contact your online teacher about access.

## **ART**

<b>FAME</b>  (Gr 4+ Art)	<a href="http://www.myfame.org">www.myfame.org</a>
<p>FAME is a platform developed by Vancouver Animation School where students can complete art lessons, submit their work to their EBUS teacher, share their work with others and keep an art portfolio throughout their years at EBUS. The art lessons are created by industry professionals and are of excellent quality - it is a chance for students to learn fundamental to advanced skills in art.</p> <p>Please contact your online teacher about access.</p>	

## SECOND LANGUAGE

<b>MANGO ONLINE LANGUAGE PROGRAM</b> (Gr K-12 Second Language)	<a href="https://mangolanguages.com">https://mangolanguages.com</a>
<p>A self-paced second language learning program that supports conversational language development through four components: vocabulary, pronunciation, grammar, and culture. Prepares learners for realistic conversations and strengthens everyday communication skills in over 70 languages. Students can choose from and access all languages from one account. Teachers can track time spent in the program and names of lessons only, so students will need to submit a combination of screenshots, supplementary written work, and audio/video clips to show the range of their learning in this subject.</p> <p>Please contact your online teacher about access.</p>	
<b>ROSETTA STONE ONLINE LANGUAGE PROGRAM</b> (Gr 5-9 Second Language)	<a href="http://www.rosettastone.ca/">http://www.rosettastone.ca/</a>
<p>A structured and intensive second language learning program that offers a wide variety of rich content and instant speech feedback to guide pronunciation. Students can only access one language of their choice from their account. Teachers can track some progress, but students will still need to submit a combination of screenshots, supplementary written work, and audio/video clips to show the range of their learning in this subject.</p> <p><i>Rosetta Stone is not a free subscription: students may purchase a subscription using their learning support funds.</i></p> <p>Please contact your online teacher about access.</p>	

## EBUS DIGITAL LIBRARY

<b>EBUS FOLLET LIBRARY</b>	<b>Computer:</b>  <a href="https://search.follettsoftware.com/metasearch/ui/36852/">https://search.follettsoftware.com/metasearch/ui/36852/</a>
