As you complete this sheet, place a tick mark on the Completed box as you finish courses and earn credits. Circle September for the courses you plan to start (or finish) in September. Circle February for the course you will start in February. Do not plan to take more than 8 courses per year.

This course plan presents a starting point but is flexible and can be adjusted at any time by talking to your Academic Advisor. For students wishing to sign up for courses before June 15th of the year, instructions will be sent by Chris Mushumanski.

At other times, either submit a dashboard request or email your Academic Advisor with your course selections
